- 4/21/22 – Cassette Show & Music Notes Show has rehearsal
- 4/22/22 – Guitar Show has rehearsal

Acro Dancers & Mr. Tone's Vocal & Guitar Lesson participants.

4/26 & 4/27/22 – Acro levels 1-7 will have a rehearsal and performance at Live 2 Dance, along with our Private Lesson participants with Mr. Tone.

The week of April 27th will also be a different schedule. Rehearsals Tuesday-Thursday will be held at the Cam-Plex Heritage Center. Hair styles will be included in a separate email later in April!

Our current plan for that week is as follows.

- 4/27/22 – Music Note Show & Cassette Show has dress rehearsal
- 4/28/22 – Guitar Show has dress rehearsal. Tambourine show has a facility walkthrough & stage introduction time.

To avoid a stressful situation please start checking your dancers' costumes now. Do they have their main costume? Do you have the right tights, they should be in the back pocket of your dancers garment bag. Do they have their hair piece? Do they have their dance shoes or have they been missing for a while? Thinking about these things now will make for a more enjoyable Spring Showcase Experience!

Spring Recital Showcase Digital Download - PREORDERS

If you are interested in purchasing a digital download of your dancers performance please [fill out this google form](#). We are trying someone different from who we used for our 14th Annual Showcase last year. Their quality looks much better. I know some of you have expressed concerns with a digital download, however that is where every company is going. After COVID, the cost and manpower to produce a DVD is off the charts. *Keep in mind we do not allow videotaping or flash photography during our showcase.* We want all parents and spectators present during their dancers' performance. They all have worked so hard for this! Pre-Order price is valid through 4/20/22.

We will also have live stage photos by Magic Images by Jeanne, more info coming out for this as well!
